Cocktail Tuition Stations

These interactive stations can be set up in any venue and are designed to give your guests the chance to create their very own cocktails under the supervision of our team of top mixologists. It's a truly unique concept that everyone will love. We have a choice of various stations to choose from and each station can serve 70-90 guests hour.

Taking inspiration from the classic cocktail recipes, guests are invited to “pimp” their drink by choosing alternatives to the classic ingredients. Organic Spirit mixologists are at hand to talk each guest through their choice of ingredients and teach them everything they need to know to prepare their very own cocktail creation. All the bars are look outstanding in any venue. Our staff can also be wear themed attire for that extra wow factor.
